Long Beach Petroleum Club Women's Update

Here it is May and we have some updates for you. Our goal as a board, is to support this grand old club socially and financially. So periodically we do small "Fundraisers" to keep our bank balance flowing so that we can help out in any area of need. Be it pans for the kitchen, glasses for the bar, paint for a touch up and so on.

In February we mailed every member "opportunity tickets" to win a "Pot of Gold" worth \$1,000 to be drawn at our March St Pats Supper Club. We as a group sold \$3,000 in tickets; \$1,000 was won by Jan Tutaj, a new member. So after our printing and mailing costs we were able to add \$1,275 to our balance. As an interest to some of you, our Thursday duplicate bridge club also donates to our balance. Though none of them are on our board at the moment, Ralph Brunson our Tuesday night piano player, who also plays bridge stepped up to the plate to take over for our dear Eileen Steigerwald who we lost last year who was on the board.

Our Winner
Jan Tutaj

We recently have changed our monthly meetings to the third Saturday of the month at 10:30am. We have three new members who are working women so the Tuesday meeting was not good for them. If you have any suggestions or questions for us please leave note at the club for Kaye Chapman our chairperson.

We are open to any and all ideas, this is a fast moving world we are living in and we are finding that our fashion shows and boutiques are no longer of interest to our current membership. Your input would be truly welcomed.

Hope to see you at our next "Supper Club" on May 9th 2017. We need your support. Thank you.
